Section 1 – Introduction

This directory provides a list of Clear Spring Health Essential (HMO) network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You may choose a PCP by selecting a PCP from within the plan Provider Directory and calling Member Services to inform them of the change. The Provider Directory may be downloaded from the plan website at www.clearspringhealthcare.com, or requested from Member Services. Member Services may also check to see if a specific Provider you are requesting is within the network. Please call member Services at 877-364-4566, we are open 8:00 am to 8:00 pm Monday – Friday from April 1 – September 30 and 8:00 am to 8:00 pm Monday – Sunday from October 1 – March 31. TTY users should call 711.

You will have to choose one of our network providers who are listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP.

The "network providers" listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. However, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from nonnetwork providers. Your PCP will provide you with referrals as needed for services that they do not provide themselves, such as specialty care, x-rays and radiology, and laboratory, for example. The PCP also works with our Plan to generate authorizations as required for services such as: hospital or other admissions; day surgeries; physical, occupational or speech therapies, diagnostic radiology (besides x-rays); home heath; on-going specialist care.

"Non-plan providers" are providers that are not part of the Clear Spring Health plans. If you use non-plan providers, you may have to pay more. Care or services you get from non-plan providers will not be covered, except for ambulance services, emergency care, including post- stabilization care, urgently needed care, renal (kidney) dialysis, and any services which were approved through an appeals process.

We cover certain health care services that you get from non-plan providers. These include care for a medical emergency, urgently needed care, renal (kidney) dialysis that you get when you are outside the plan's service area, care that has been approved in advance by Clear Spring Health and any services which were approved through an appeals process. If a non-plan provider asks you to pay for covered services you get in these situations, please contact us at:

TTY/TDD Users call 711

Or visit us at
www.Clearspringhealthcare.com

You should never pay any non-plan provider more than what the provider is allowed by Medicare. The provider has a right to get his/her fees, but does not have a right to get them from you. Ask the non-plan provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for the services, you can send the bill to us for payment. We will pay your non-plan provider for our share of the bill and will let you know what, if anything, you must pay.

When you are outside the service area and cannot get care from a network provider, our plan will cover urgently needed care that you get from any provider.

The only services we cover when you are outside of our service area are care for a medical emergency, including post-stabilization care, urgently needed care, renal (kidney) dialysis, and care that a Clear Spring Health plan provider has approved in advance. If you have questioned whether a service is covered when you travel please call, Member services at 1-877-364-4566. TTY/TDD Users call 711.

You must use plan providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers neither Medicare nor Clear Spring Health Essential (HMO) will be responsible for the costs.
