Introduction

This booklet provides a list of Clear Spring Health’s Essential and Essential Plus network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Clear Spring Health’s Essential and Essential Plus formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Clear Spring Health Essential and Essential Plus only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 10/2019. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on Network Pharmacies outside the geographic area or contact Member Services for more information.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

This Directory provides a list of pharmacies in Clear Spring Health Essential and Essential Plus's network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

Clear Spring Health Essential and Essential Plus members must use network pharmacies to get prescription drugs. o You must use network pharmacies except in emergency or urgent care situations. If you go to an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service. Read the Clear Spring Health Essential and Essential Plus Evidence of Coverage for more information.

Some network pharmacies may not be listed in this Directory.

Some network pharmacies may have been added or removed from our plan after this Directory was published.
