

Clear Spring Health Essential (PPO) offered by Delaware Life Insurance Company

Annual Notice of Changes for 2020

You are currently enrolled as a member of *Clear Spring Health Essential (PPO)*. Next year, there will be some changes to the plan's costs and benefits. *This booklet tells about the changes.*

- **You have from October 15 until December 7 to make changes to your Medicare coverage for next year.**
-

What to do now

1. ASK: Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.
 - It's important to review your coverage now to make sure it will meet your needs next year.
 - Do the changes affect the services you use?
 - Look in Sections 2.5 and 2.6 for information about benefit and cost changes for our plan.
- Check the changes in the booklet to our prescription drug coverage to see if they affect you.
 - Will your drugs be covered?
 - Are your drugs in a different tier, with different cost sharing?
 - Do any of your drugs have new restrictions, such as needing approval from us before you fill your prescription?
 - Can you keep using the same pharmacies? Are there changes to the cost of using this pharmacy?
 - Review the 2020 Drug List and look in Section 2.4 for information about changes to our drug coverage.
 - Your drug costs may have risen since last year. Talk to your doctor about lower cost alternatives that may be available for you; this may save you in annual out-of-pocket costs throughout the year. To get additional information on drug prices visit <https://go.medicare.gov/drugprices>. These dashboards highlight which manufacturers have been increasing their prices and also show other year-to-year drug price

information. Keep in mind that your plan benefits will determine exactly how much your own drug costs may change.

- Check to see if your doctors and other providers will be in our network next year.
 - Are your doctors, including specialists you see regularly, in our network?
 - What about the hospitals or other providers you use?
 - Look in Section 2.3 for information about our Provider Directory.
- Think about your overall health care costs.
 - How much will you spend out-of-pocket for the services and prescription drugs you use regularly?
 - How much will you spend on your premium and deductibles?
 - How do your total plan costs compare to other Medicare coverage options?
- Think about whether you are happy with our plan.

2. **COMPARE:** Learn about other plan choices

- Check coverage and costs of plans in your area.
 - Use the personalized search feature on the Medicare Plan Finder at <https://www.medicare.gov> website. Click “Find health & drug plans.”
 - Review the list in the back of your Medicare & You handbook.
 - Look in Section 3.2 to learn more about your choices.
- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan’s website.

3. **CHOOSE:** Decide whether you want to change your plan

- If you want to **keep** *Clear Spring Health Essential (PPO)*, you don’t need to do anything. You will stay in *Clear Spring Health Essential (PPO)*.
- To change to a **different plan** that may better meet your needs, you can switch plans between October 15 and December 7.

4. **ENROLL:** To change plans, join a plan between **October 15** and **December 7, 2019**

- If you don’t join another plan by **December 7, 2019**, you will stay *Clear Spring Health Essential (PPO)*.
- If you join another plan by **December 7, 2019**, your new coverage will start on **January 1, 2020**.

SECTION 1 Unless You Choose Another Plan, You Will Be Automatically Enrolled in *Clear Spring Health Essential (PPO)* in 2020

If you do nothing to change your Medicare coverage by December 7, 2019, we will automatically enroll you in our *Clear Spring Health Essential (PPO)*. This means starting January 1, 2020, you will be getting your medical and prescription drug coverage through *Clear Spring Health Essential (PPO)*. If you want to, you can change to a different Medicare health plan. You can also switch to Original Medicare. If you want to change, you must do so between October 15 and December 7. If you are eligible for Extra Help, you may be able to change plans during other times.

The information in this document tells you about the differences between your current benefits in *Clear Spring Health Essential (PPO)* and the benefits you will have on January 1, 2020, as a member of *Clear Spring Health Essential (PPO)*.

SECTION 2 Changes to Benefits and Costs for Next Year

Section 2.1 – Changes to the Monthly Premium

| Cost | 2019 (this year) | 2020 (next year) |
|---|------------------|------------------|
| Monthly premium (You must also continue to pay your Medicare Part B premium.) | \$28.00 | \$0 |

- Your monthly plan premium will be *more* if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as “creditable coverage”) for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be *less* if you are receiving “Extra Help” with your prescription drug costs.

Section 2.2 – Changes to Your Maximum Out-of-Pocket Amounts

To protect you, Medicare requires all health plans to limit how much you pay “out-of-pocket” during the year. These limits are called the “maximum out-of-pocket amounts.” Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

| Cost | 2019 (this year) | 2020 (next year) |
|---|------------------|--|
| <p>In-network maximum out-of-pocket amount</p> <p>Your costs for covered medical services (such as copays from network providers) count toward your in-network maximum out-of-pocket amount.</p> | \$6,700 | <p>\$5,500</p> <p>Once you have paid \$5,500 out-of-pocket for covered Part A and Part B services from network providers, you will pay nothing for your covered Part A and Part B services from network providers for the rest of the calendar year.</p> |
| <p>Combined maximum out-of-pocket amount</p> <p>Your costs for covered medical services (such as copays) from in-network and out-of-network providers count toward your combined maximum out-of-pocket amount.</p> | \$10,000 | <p>\$10,000</p> <p>Once you have paid \$10,000 out-of-pocket for covered Part A and Part B services, you will pay nothing for your covered Part A and Part B services from in-network or out-of-network providers for the rest of the calendar year.</p> |

Section 2.3 – Changes to the Provider Network

There are changes to our network of providers for next year. An updated Provider Directory is located on our website at www.ClearSpringHealthCare.com. You may also call Member Services for updated provider information or to ask us to mail you a Provider Directory. **Please review the 2020 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers) that are part of your plan during the year. There are a number of reasons why your

provider might leave your plan, but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, we must furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider and managing your care.

Section 2.4 – Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies

Section 2.5 – Changes to Benefits and Costs for Medical Services

We are changing our coverage for certain medical services next year. The information below describes these changes. For details about the coverage and costs for these services, see Chapter 4, *Medical Benefits Chart (what is covered and what you pay)*, in your *2020 Evidence of Coverage*.

Section 2.6 – Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is provided electronically.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

If you are affected by a change in drug coverage, you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception** to cover the drug.
 - To learn what you must do to ask for an exception, see Chapter 9 of your *Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints))* or call Member Services.
- **Work with your doctor (or other prescriber) to find a different drug** that we cover. You can call Member Services to ask for a list of covered drugs that treat the same medical condition.
- In some situations, we are required to cover a temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 5, Section 5.2 of the *Evidence of Coverage*.) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.
- If you have a formulary or tier exception during the current contract year, you will not be required to request the exception process for those drugs for the next year if the exception is still effective. EON Health will allow you to obtain the drugs under the exception process for a complete calendar year, beginning on the day your exception was approved.

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules.

When we make these changes to the Drug List during the year, you can still work with your doctor (or other prescriber) and ask us to make an exception to cover the drug. We will also continue to update our online Drug List as scheduled and provide other required information to reflect drug changes. (To learn more about changes we may make to the Drug List, see Chapter 5, Section 6 of the *Evidence of Coverage*.)

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** There are four “drug payment stages.” How much you pay for a Part D drug depends on which drug payment stage you are in. (You can look in Chapter 6, Section 2 of your *Evidence of Coverage* for more information about the stages.)

The information below shows the changes for next year to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage. To get information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in the *Evidence of Coverage*, which is located on our website at www.ClearSpringHealthCare.com. You may also call Member Services to ask us to mail you an *Evidence of Coverage*.)

Changes to the Deductible Stage

| Stage | 2019 (this year) | 2020 (next year) |

| Stage 1: Yearly Deductible Stage | The deductible is \$95. <i>(Applies only to tiers 3, 4, and 5.)</i> | The deductible is \$95. <i>(Applies only to tiers 3, 4, and 5.)</i> |

Changes to Your Cost-sharing in the Initial Coverage Stage

To learn how copayments and coinsurance work, look at Chapter 6, Section 1.2, *Types of out-of-pocket costs you may pay for covered drugs* in your *Evidence of Coverage*.

| Stage | 2019 (this year) | 2020 (next year) |

| <p>The costs in this row are for a one-month (30-day) supply when you fill your prescription at a network pharmacy that provides standard cost-sharing. For information about the costs for a long-term supply; at a network pharmacy that offers preferred cost-sharing; or for mail-order prescriptions, look in Chapter 6, Section 5 of your <i>Evidence of Coverage</i>.</p> | | |

Changes to the Coverage Gap and Catastrophic Coverage Stages

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.** For information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your *Evidence of Coverage*.

SECTION 3 Deciding Which Plan to Choose

Section 3.1 – If you want to stay in *Clear Spring Health Essential (PPO)*

To stay in our plan you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically stay enrolled as a member of our plan for 2020.

Section 3.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change for 2020 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan timely,
- – *OR*– You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 2.1 regarding a potential Part D late enrollment penalty.
