## Section 1 - Introduction

This directory provides a list of Clear Spring Health's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

Clear Spring Health is a PPO plan that allows the use of in and out of network providers to obtain medical care and services.

Clear Spring Health does not require you to select a physician to be your **P**rimary **C**are **P**rovider (PCP). Clear Spring Health does encourage you to identify a physician to be your PCP as generally, you must get your health care services from your PCP

Your PCP should be your first point of contact for undiagnosed health concerns or health problems and routine health care needs. In addition to providing you care, your PCP will help arrange or coordinate the covered services you get as a plan member. This includes your x-rays, laboratory tests, therapies, care from doctors who are specialists, hospital admissions, and follow-up care. Referrals are not required with Clear Spring Health PPO plans, but your PCP should be your primary resource to use when seeking specialist and hospital care and coordination of your medical services.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory

Out-of-network providers are under no obligation to treat Clear Spring Health enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Member Service Department at 877-384-1241, we are open 8:00 am to 8:00 pm Monday – Friday from April 1 – September 30 and **8:00 am to 8:00 pm Monday – Sunday from October 1 – March 31**. TTY users should call 711. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

In cases where out-of-network providers submit a bill directly to you, you should not pay the bill but should submit it to Clear Spring Health for processing and determination of your liability, if any. Please send the bill to the following address:

Clear Spring Health:  
P.O.Box 4048  
Scranton PA 18505

You may get covered emergency medical care whenever you need it from the nearest hospital or

provider. You don't need to get approval first from Clear Spring Health or your doctor. If you have an emergency, Clear Spring Health will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over. After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow up care will be covered by our plan.

Clear Spring Health pays for covered services when you visit a doctor or medical facility that is not included in the Clear Spring Health network. Except for emergencies or urgent care, it may cost more to get care.
