Section 1 – Introduction

This directory provides a list of Clear Spring Health (PPO) network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

Clear Spring Health is a PPO plan that allows the use of in and out of network providers to obtain medical care and services.

Clear Spring Health does not require you to select a physician to be your Primary Care Provider (PCP). Clear Spring Health does encourage you to identify a physician to be your PCP as generally, you must get your health care services from your PCP

The "network providers" listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from nonnetwork providers. The PCP works with our Plan to generate authorizations as required for services such as: hospital or other admissions; day surgeries; physical, occupational or speech therapies, diagnostic radiology (besides x-rays); home heath; on-going specialist care.

Out-of-network providers are under no obligation to treat Clear Spring Health enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Member Service Department at 877-364-4566, we are open 8:00 am to 8:00 pm Monday – Friday from April 1 – September 30 and 8:00 am to 8:00 pm Monday – Sunday from October 1 – March 31. TTY users should call 711. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

In cases where out-of-network providers submit a bill directly to you, you should not pay the bill but should submit it to Clear Spring Health for processing and determination of your liability, if any. Please send the bill to the following address:

Clear Spring Health

3601 SW 160th Ave, Ste 450
Miramar, FL 33027

Or call Member services at 1-877-364-4566

February 15 - September 30, hours are 8:00am and 8:00pm, Monday through Friday
October 1 - February 14 hours are 8:00 a.m. - 8:00 p.m., seven days a week.

TTY/TDD Users call 711

Or visit us at
www.Clearspringhealthcare.com

You should never pay any non-plan provider more than what the provider is allowed by Medicare. The provider has a right to get his/her fees, but does not have a right to get them from you. Ask the non-plan provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for the services, you can send the bill to us for payment. We will pay your non-plan provider for our share of the bill and will let you know what, if anything, you must pay.

When you are outside the service area and cannot get care from a network provider, our plan will cover urgently needed care that you get from any provider.

The only services we cover when you are outside of our service area are care for a medical emergency, including post-stabilization care, urgently needed care, renal (kidney) dialysis, and care that a Clear Spring Health plan provider has approved in advance. If you have questioned whether a service is covered when you travel please call, Member services at 1-877-364-4566. TTY/TDD Users call 711.

You must use plan providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers neither Medicare nor Clear Spring Health Choice (PPO) will be responsible for the costs.

What is the service area for Clear Spring Health Choice (PPO)?

How do you find Clear Spring Health Choice (PPO) providers in your area?

The Clear Spring Health Choice (PPO) Provider Directory contains participating providers within our service area. Providers are displayed based on the criteria of the search; alphabetical order is the default display. If a search is performed based on the city or zip code, then the providers are displayed in the order in which they fall within the distance of the desired location – with the exact matches displaying first and moving farther away. Any providers within the same location area are then displayed in alphabetical order. In order to find a provider closest to your home, search by your city or zip code.
