## Section 1 – Introduction

This directory provides a list of Clear Spring Health Silver (HMO CSNP) network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage and formulary.

You may choose a PCP by selecting a PCP from within the plan Provider Directory and calling Member Services to inform them of the change. The Provider Directory may be downloaded from the plan website at [www.clearspringhealthcare.com/](http://www.clearspringhealthcare.com/) or requested from Member Services. Member Services may also check to see if a specific Provider you are requesting is within the network. Please call member Services at 877-364-4566, we are open 8:00 am to 8:00 pm Monday – Friday from April 1 – September 30 and 8:00 am to 8:00 pm Monday – Sunday from October 1 – March 31. TTY users should call 711.

You may have to choose one of our network providers who are listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP. A PCP is not required with the Clear Spring Health PPO Plans.

A PCP should be your first point of contact for undiagnosed health concerns or health problems and routine health care needs. In addition to providing you care, your PCP will help arrange or coordinate the covered services you get as a plan member. This includes your x-rays, laboratory tests, therapies, care from doctors who are specialists, hospital admissions, and follow-up care. Referrals are not required with Clear Spring Health HMO and PPO plans, but your PCP should be your primary resource to use when seeking specialist and hospital care and coordination of your medical services.

The “network providers” listed in this directory have agreed to provide you with your health care/vision/dental services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

PPO Plans: Out-of-network/non-contracted providers are under no obligation to treat Clear Spring Health enrollees, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Member Service Department or see your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services.
