Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit **www.clearspringhealthcare.com** or call **1-877-364-4566 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Clear Spring Health offers a pharmacy network with preferred cost sharing at select pharmacies. You may pay more at other pharmacies. The Preferred Pharmacy Network is a select network of national and local independent pharmacies designed to help save you money on your prescriptions. You may choose non-preferred pharmacies to fill prescriptions, but your costs may be higher. Our pharmacy network may change at any time. You will receive notice when necessary.
- Benefits with a (!) indicates a prior authorization may be required.

Understanding Important Rules

- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums, and/or copayments/co-insurance may change January 1, 2026.
